

★ SUREProED Private Limited

PERSONA PROFILE

Deepak Kumar

Description: Results-driven Retail Leader

Age: 37 years old

Location: Lucknow, Uttar Pradesh

Occupation: Regional Retail Manager – North Zone

Income Range: ₹18,00,000 – ₹28,00,000 annually

GOALS | MOTIVATIONS | FRUSTRATIONS

Goals	Increase overall regional revenue by improving store-level performance	Maintain consistent customer service standards across all outlets	Improve inventory accuracy and reduce shrinkage	Strengthen team leadership at store level
Motivations	Recognition from senior leadership for strong regional performance	Financial incentives tied to performance targets	Building a high-performing and disciplined retail team	Seeing stores grow under his supervision
Frustrations	Sales targets increasing without proportional manpower	Inventory mismatches between system and physical stock	Staff attrition, especially during festive seasons	Competition from e-commerce platforms offering heavy discounts

“Retail is won in small daily improvements, not just big strategies.”

PERSONALITY PROFILE

Personality	Disciplined and Practical	Data-oriented	Calm under pressure and Accountability-driven
Work Style	Structured planner and Reviews numbers daily	Believes in weekly performance reviews	Prefers clear reporting formats
Leadership Approach	Leads by example	Supports store managers but expects results	Supports store managers but expects results

MARKET ENVIRONMENT & EXTERNAL REALITIES

 SUREProED Private Limited

Market Environment (What He Sees)

- Rapid growth of e-commerce platforms offering aggressive discounts
- Customers comparing prices online while standing inside the store
- Higher expectations for faster billing and better service
- Seasonal spikes during Diwali, Eid, and wedding seasons
- Increasing operational costs like rent and manpower

Communication & Feedback (What He Hears)

- Senior management pushing for higher quarterly targets
- Store managers requesting more staff during peak hours
- Customer complaints about stock availability
- Field staff sharing competitor promotional activities
- Pressure to maintain brand image across all locations

EMPATHY INSIGHTS & BEHAVIOR SUMMARY

What He Thinks & Feels

- Feels personally responsible for regional performance numbers
- Thinks operational discipline is more important than temporary sales boosts
- Believes data tracking prevents major losses
- Feels that strong leadership reduces store-level chaos

What He Does

- Reviews sales dashboards every morning
- Conducts surprise audits to check SOP compliance
- Plans localized promotions based on regional demand
- Coaches underperforming store managers

What He Says

- “Consistency in execution wins the market.”
- “Let’s focus on conversion rate, not just footfall.”
- “Inventory accuracy is non-negotiable.”
- “Strong teams build strong regions.”

Key Internal Drivers

Gain

- Satisfaction when stores exceed targets
- Pride in developing strong leaders
- Motivation from recognition and bonuses

Pain

- Stress from target pressure
- Frustration with inventory discrepancies
- Concern about staff retention
